

ALLEGAN COUNTY ROAD COMMISSION

Informational Meeting for 18th Street Construction Project

The Allegan County Road Commission will hold an informational meeting regarding the reconstruction of 18th Street from 142nd Avenue north to the Kent County Line on Thursday, May 24, 2018 at 6:00 PM at the Dorr Township Hall. The Township Hall is located at 4196 18th Street, Dorr, MI 49323.

The project will begin in June and run through August 31st, 2018. The construction between 142nd Avenue and 144th Avenue will include widening the road to add a center turn lane, removing the existing sidewalk, installing new concrete sidewalk, paving new asphalt, and seeding/restoring slopes and lawns. One lane of northbound traffic will be maintained during construction. Southbound traffic will be detoured west on 144th Avenue, south on 20th Street, and east on 142nd Avenue.

The construction between 144th Avenue and the Kent County Line (108th Street) will include milling the existing asphalt surface, paving new asphalt, minor regrading of slopes and seeding/restoration. Both directions of traffic will be opened during construction but flaggers will be used when lane closures are necessary.

We realize the project will have a major impact on residents and businesses in the area; our goal is to minimize the inconvenience as well as the construction time on the project. Construction updates will be posted on the Allegan County Road Commission's Facebook page if you "like" or follow us.

If you are unable to attend the meeting you can contact Jason Edwards at rcjason@alleganroads.org, or 269-673-2184 ext 230 with questions or comments.

A handwritten signature in cursive script that reads "Jason Edwards".
