

## ALLEGAN COUNTY ROAD COMMISSION

### EXTRACT COPY

The following is an extract copy of the minutes of the meeting of the Board of County Road Commissioners of Allegan County, held in the office in Allegan on Wednesday, December 14, 2016.

“It was moved by Commissioner Kaarlie and seconded by Commissioner Kleinheksel to approve the following resolution:

WHEREAS, it is the intention of the Allegan County Road Commission to have new segments of the County Public Road System which meet or exceed the zoning and master planning of each township; and

WHEREAS, the creation of a new local public road causes increased cost to both the Allegan County Road Commission and the Township that it occupies; and

WHEREAS, the Allegan County Road Commission wants to make all new local roads accepted into the system comply with the same minimum requirements; and

NOW, THEREFORE, BE IT RESOLVED, the Allegan County Road Commission will only accept roads into the County Public Road System when the following conditions are satisfied;

1. Approval of the acceptance of the proposed road into the public system by the township(s) which it occupies.
2. All proposed public roads must meet the requirements of the Allegan County Road Commission Requirements and Specifications for Subdivision Development.
3. All road and utility right-of-way required by the Requirements and Specifications for Subdivision Development must be under the control of the Allegan County Road Commission.
4. All elements of the drainage system, including but not limited to catch basins, culverts, open ditches, retention basins, and detention basins must be part of an Allegan County Drain.

ROLL CALL VOTE AYES: Commissioners Culver, Kaarlie, and Kleinheksel  
NAYS: None”

I hereby certify that the above is a true extract copy of the Resolution taken from the minutes of the Board of County Road Commissioners regular meeting of December 14, 2016.
